Subject: *IPCC Special Report on Climate Change and Land*

Sir/Madam,

You may recall that at the 43rd Session of the IPCC (Nairobi, Kenya, 11-13 April 2016), the Panel agreed to prepare a Special Report on Climate Change and Land: *An IPCC Special Report on climate change, desertification, land degradation, sustainable land management, food security, and greenhouse gas fluxes in terrestrial ecosystems*.

I have the honour to inform you of the availability of the First Order Draft (FOD) of this report. According to IPCC procedures for preparing IPCC reports, "the first draft reports should be sent to Government Focal Points, for information, along with a list of those to whom the Report has been sent for review in that country". The IPCC issued an open call for registration to join the Expert Review on 30 May 2018. In addition, the announcement was sent directly to all nominees for the preparation of the Special Report who were not selected as authors or review editors. A list is available on the same portal as the draft report. The report page on the IPCC website provides information on the level of participation by country and region as well as the number and origin of experts registered: <https://www.ipcc.ch/apps/comments/srccl/fod/public>

The draft report is accessible via the IPCC website at:

Please note that this is a confidential document which must not be distributed, cited or quoted. We therefore kindly request you not to share the access details to the draft report.

Governments are asked to encourage experts to participate in the Expert Review. Prospective reviewers should register online. Registration will close on **29 July 2018, 23:59 (CEST)**:

The Expert Review period starts on **11 June 2018, and ends on 5 August 2018, 23:59 (CEST)**.

If you have any questions about the process, please contact the IPCC Working Group III TSU at [<tsu@ipcc-wg3.ac.uk>](mailto:tsu@ipcc-wg3.ac.uk).

The Government and Expert Review of the Second Order Draft of the Special Report on Climate Change and Land will follow in November 2018 (19 November 2018 to 13 January 2019).

A copy of this letter is being sent for information to the Ministry of Foreign Affairs and to the Permanent Representatives from your country to the World Meteorological Organization and to the United Nations Environment Programme.

Yours sincerely,
